Pongo Environmental Awards

HONORING ENVIRONMENTAL ACHIEVEMENT

Since 2014, the relevance of the Pongo Awards has been broadened to include recognizing and honoring individuals and organizations on an annual basis that have contributed to the improved understanding and appreciation of orangutans and endangered species, rainforest habitat, and for improving conditions for orangutans and other animals globally.

Previous Honorees
The "Respecting Nature" Gala Event

The Orang Utan Republik Foundation's annual benefit helps to provide funding for its operations and signature programs: the Community Education and Conservation Program (CECP) and the Orangutan Caring Scholarship program (OCS).

OURF is honored to have its annual benefit supported by Consulate General of the Republic of Indonesia at the newly remodeled Consulate General building in Los Angeles including its spacious event auditorium.

Attendees will enjoy Indonesian food & entertainment and bid on exclusive items at the silent & live auctions. The presentation, including the Pongo Awards, will be Livestreamed for those who cannot attend. While restrictions for in-person gatherings are being relaxed, attendance will be limited according to safety protocols by the Consulate office.
Please consider joining an active and influential community of supporters as an official sponsor for our annual benefit being supported by the Indonesian Consulate General and Livestreamed. This is the first time OURF has held its Pongo Awards on the Consulate grounds. Your participation as an official sponsor will help fund important programs that directly benefit Indonesian people and Indonesian biodiversity.

As a proud supporter of OURF's mission, you can contribute to the Respecting Nature Gala at one of the following levels and receive the outlined benefits:

## CARING SCHOLARSHIP SPONSOR - $2,000
OURF’s Orangutan Caring Scholarship program has provided over 200 competitive, multi-year scholarships to Indonesian students in orangutan-range provinces seeking degrees in biology, forestry and veterinary science.
